CUB SCOUTING

Is Your Son Worth It?

I am too busy.

Too busy to grow & share with your son...

I don't have enough time.

You are right. We need more quality time with our son(s).—Scouts—

I can't afford it.

You can't afford not to share Scouts with your son.

My son plays sports.

He should. Sports is a big part of Scouts.

My son isn't interested in that kind of thing.

Morals, integrity, maturity, ethics, fitness, adventure, understanding, mercy, love...He's interested

I am too tired.

Scouts will refresh & revive your family life.

He has too much school-work to do.

Scouts help your son want to learn—makes it easier

This will cut into his play time.

Scouts will help your son be more productive with his time and yours.

I don't know anything about outdoors and scout stuff.

You never will experience this wonderful opportunity until you make Scouts part of your Family.

I am a single parent.

Together, We Can Do Anything

FAMILY LIFE OPPORTUNITY

In today's world we all have a million things pulling at us and competing for our time. Unfortunately, children have things, good and many bad, pulling at them also. We all need all the help we can get in raising our children and making ourselves better people and parents. When you make Scouting part of your Family Life, your family can be all you ever wanted it to be and more. There is only one way to experience this. That is to Join Scouts and commit it to your family and to yourself.

RIGHT PLACE / RIGHT TIME

No one can promise you that every organization is going to have everything you want and need, even Pack 11. We can assure you that if you will get plugged-in to Pack 11; you and your son(s) will grow and become better. Pack 11 likes to think that we are an extension of your Family. We try to be a very important part of your Family's way of life. This leads all of us to be all that want to be and can be. Time in life is short. How do we make the most of what is really important while juggling all that comes at us? Cub Scouts! How do we get better results in life? Do the same thing? Cub Scouts! Pack 11 challenges you to make your Family-life better.
